

Prayer to Our Lady of Medjugorje

Dear Blessed mother, help me to listen to your messages and put them into practice in my life. Help me to use the five stones of prayer, fasting, conversion, peace, and reconciliation to defeat the work of Satan in our time. Help me to pray with the heart. Help me to love as you love. Help me to be an apostle of peace and mercy. Strengthen me so that I can defend the faith and be a witness to the truth. Help me to turn hearts back to your Son. Help me to hasten the triumph of your Immaculate Heart and the coming of your Son's kingdom by living as a child of God, always remembering that I am your child too. I ask this in Jesus's name. Amen.

Dear Children! Today like never I call you to pray for peace, peace in your hearts, peace in your families and peace in the whole world because Satan wants war, wants lack of peace, wants to destroy all that is good. Therefore, dear children, pray, pray, pray. Thank you for having responded to my call. Message from Our Lady of Medjugorje March 25, 1993
