

Prophecies of Our Lord and  
Our Blessed Mother on the New Mass,  
the Novus Ordo Missae,  
and the New Sacraments  
Given to Marie-Julie Jahenny

**Marie-Julie Jahenny**  
**Stigmatist and Mystic of the Roman Catholic Church**  
**[b. at Blain, Brittany (Northwestern France) on Tuesday, February 12, 1850 -**  
**d. at La Fraudais, a short distance Northeast of Blain, Brittany on Tuesday, March 4, 1941]**

## Brief Biographical Data

*Marie-Julie Jahenny*  
*The Breton Stigmatist*

*Marquis de la Franquais*

**Marie-Julie Jahenny, the mystic and Stigmatist of La Fraudais and perhaps the greatest mystic in the history of the Church,** was born on Tuesday, February 12, 1850, in a little village in Brittany (Northwestern France), called Blain. But another source claims she was born at Coyault, France.

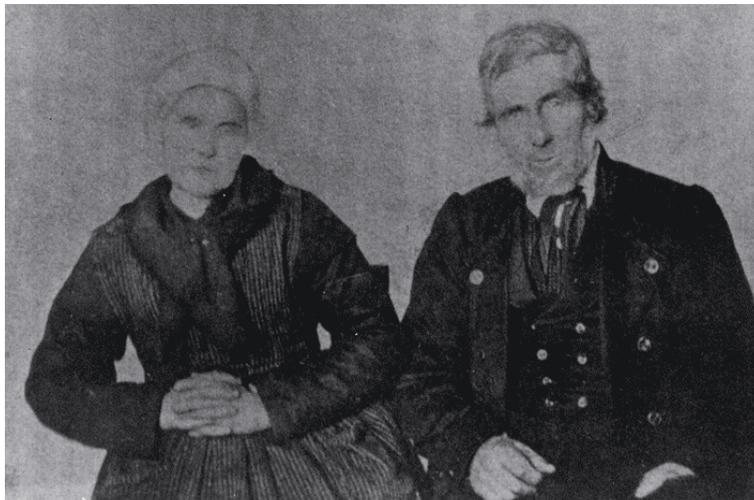

However, what is claimed to be the official web site of “L'Association des Amis de Marie-Julie Jahenny” at <http://www.marie-julie-jahenny.fr/index.htm>, on this index web page gives the following title:

ASSOCIATION “LE SANCTUAIRE DE MARIE-JULIE J.”  
SITE OFFICIEL DE Marie-Julie JAHENNY  
“La stigmatisée Bretonne”

Data on this website includes a map which shows both Blain and La Fraudais and a cemetery about half-way between the two. Interestingly, one does not see a place called “Coyault. In

addition, tourist data gives several places in Blain for tourists to lodge. The map is found below along with a photo of her grave.

Shortly after her birth, she was Baptized on Ash Wednesday, 1850. She was the eldest of five children.

*Les parents de Marie-Julie*

She was brought up by her simple, good parents in that lively faith for which Bretons are renowned.

Her Mother was very devoted to the Most Blessed Virgin Mary and poured that tender love into the pure heart of her daughter who, while still young, showed a great love of prayer, of the Cross, and of mortifications, which, with the consent of her parents, she eagerly practiced.

When she was 16 years old, Marie-Julie was placed in the service of a family. But her weak constitution allowed her to remain there only six months because Divine Providence desired her to live as a victim-soul in reparation for the crimes of mankind against their Creator, which the young French maiden gladly embraced with her whole being.

Our Lord favored her with many graces from the time of her First Holy Communion, graces to which she corresponded with ever increasing devotion. She joined the Franciscan Third Order when she was in her early twenties in order to better help to sanctify herself in the world.

Concerning the mission of Marie-Julie, Our Blessed Lord confided to her: "...the happy Marguerite-Marie was selected to publish the glory of my Sacred Heart and you (Marie-Julie), you are selected to publish the glory of my Cross."

Marie-Julie Jahenny

In 1873 she received from Heaven that most remarkable mystic gift, the Stigmata. From the age of twenty-three until her death, some sixty years later, she bore in her body the Wounds of Our Lord to a more visible degree than had any other stigmatist in the Church's history.

In addition to the Five Wounds of the Sacred Hands, Feet and Side, Marie-Julie suffered the Wounds inflicted by the Crown of Thorns and the Cross on Our Lord's Sacred Head and Shoulder respectively, the Wounds of His Scourging, those caused by the ropes with which He was bound, as well as other Wounds of a more mystical nature. As a result she was called "The Breton Stigmatist".

Henceforth, Marie-Julie lived her life of co-redemptive suffering (as a victim soul) in a little cottage in the hamlet of La Fraudais, Northeast of Blain. She thus fulfilled Our Blessed Lord's desire for her to make reparation for the sins of France and the world. She was favored with frequent visions of Jesus and Mary, as well as many prophetic lights.

The truth of the Heavenly warnings of which she was to be the humble messenger was vindicated by her characteristic simplicity and honesty, her exemplary obedience to her Spiritual Directors and her Bishop, and of course, by the fulfillment of what she prophesied during her long life. With unflinching accuracy, she foretold the two World Wars, the election of Pope Saint Pius X, the various persecutions of the Roman Catholic Church, the chastisements and the fate of apostate France. Much remains to unfold. Her warnings for the future should be read by all "who have ears".

She had the marvelous gift of recognizing a Transubstantiated Sacred Host from ordinary bread, as well as objects that were blessed and those that were not. Her gift also included recognizing relics and to identify from where they came, and finally, although she was illiterate, she understood hymns and liturgical prayers in several different languages.

During a five year period, beginning on Tuesday, December 28, 1875, she survived only on the Sacred Host she received in her daily Holy Communion. As Dr. Imbert-Gourbeyre recorded, during this whole period, there were neither liquid nor solid excretions. She was completely insensitive to pain or intense light during her ecstasies. Some of these ecstasies were accompanied by levitation during which she became ecstatically light.

Marie-Julie was the wonder of the many scientists who examined her continually, the scorn of unbelievers and the proud, the admiration of her lifelong friend, Monsignor Fourier, Bishop of Nantes, and of the devoted circle of those who made the diffusion of her messages to an ungrateful and unheeding world their life's work. She went to her Heavenly reward on Tuesday, March 4, 1941. Her body is buried in the cemetery between Blain and La Fraudais.

Blind, deaf, dumb, and crippled, she once more miraculously subsisted on the Sacred Host she daily received in Holy Communion during the last many years of her life. It would be both wise and prudent not to pass over lightly what God confided to her for the benefit of our own sad days.

### Private Revelation

“As regards the guidance of human acts, the prophetic revelation varied not according to the course of time, but according as circumstances required, because as it is written (Proverbs 29:18), ‘When prophecy shall fail, the people shall be scattered abroad.’ Wherefore **at all times men were divinely instructed about what they were to do, according as it was expedient for the spiritual welfare of the elect**” (Saint Thomas Aquinas, O.P., [b. 1225 A.D. in Rocca Secca, Naples, Italy - d. Wednesday, March 7, 1274 A.D. in Fossa Nuova, Italy], Doctor of the Church, *Summa Theologica*, Part II-II, Question 174, Article 6, Body).

“The prophets who foretold the coming of Christ could not continue further than John, who, with his finger, pointed to Christ actually present. Nevertheless as [Saint] Jerome says on this passage, ‘This does not mean that there were no more prophets after John. For we read in the Acts of the Apostles that Agabus and the four maidens, daughters of Philip, prophesied.’ John, too, wrote a

prophetic book about the end of the Church; and **at all times there have not been lacking persons having the spirit of prophecy, not indeed for the declaration of any new doctrine of faith, but for the direction of human acts.** Thus Augustine says (De Civ. Dei [City of God] v, 26) that ‘the emperor Theodosius sent to John who dwelt in the Egyptian desert, and whom he knew by his ever-increasing fame to be endowed with the prophetic spirit: and from him he received a message assuring him of victory’” (Saint Thomas Aquinas, O.P., *Summa Theologica*, Part II-II, Question 174, Article 6, Reply to Objection 3).

**Therefore, Private Revelations are not to be despised and/or ignored.**

### **Visions and Prophecies of Marie-Julie Jahenny**

**Marie-Julie Jahenny was favored with frequent visions of Jesus and Mary, as well as many prophecies.** The truth of the Heavenly warnings of which she was to be the humble messenger was vindicated by her characteristic simplicity and honesty, her exemplary obedience to her Spiritual Directors and her Bishop, and of course, by the fulfillment of what she prophesied during her long life. For example, with unflinching accuracy she foretold the two World Wars, the election of Pope Saint Pius X, the various persecutions of the Roman Catholic Church, the chastisements and the fate of apostate France. But, more remains to unfold in the future.

**Her warnings for the Last Times should be read by all “who have ears.”** Marie-Julie was the wonder of the many scientists who examined her continually, the scorn of unbelievers and the proud, the admiration of her lifelong friend, Monsignor Fourier, Bishop of Nantes, and of the devoted circle of those who made the diffusion of her messages to an ungrateful and unheeding world their life's work. She went to her Heavenly reward on Tuesday, March 4, 1941.

Blind, deaf, dumb and crippled, she had subsisted miraculously on the Blessed Sacrament alone, for many of the last years of her life. Surely then, we will not pass over lightly what God has confided to her for the benefit of our own sad days.

### **Prophecies About the Church**

During a Locution, she heard Lucifer tell Jesus Christ:

“I will attack the Church. I will overthrow the Cross, I will decimate the people, I will deposit a great weakness of Faith in hearts. There will also be **a great denial of Religion.** For a time I will be **master** of all things, everything will be under **my control**, even Your temple and all Your people.”

Marie-Julie has said:

“Saint Michael says that Satan will have possession of everything for some time and that he will reign completely over everything; that all goodness, Faith, Religion will

be buried in the tomb... Satan and his own will triumph with joy, but after this triumph, the Lord will, in His turn, gather His own people and will **reign and triumph over evil and will raise up from the tomb the buried Church, the prostrated cross. . .** "

Marie-Julie Jahenny [June 1881]:

“In their [priests] aberration, they will break their oaths. The Book of Life contains a list of names that ‘rends the heart.’ Because of the little respect it has for the Apostles of God, the flock grows careless and ceases to observe the laws. The Priest himself is responsible for the lack of respect because he does not respect enough his Holy Ministry, and the place which he occupies in his Sacred functions. The flock follows in the footsteps of its Pastors; this is a great tragedy.”

“The Clergy will be severely punished on account of their inconceivable fickleness and great cowardice which is incompatible with their functions. A terrible chastisement has been provided for those who ascend every morning the steps of the Holy Sacrifice. I have not come on your altars to be tortured. I suffer a hundredfold more from such hearts than any of the others. I absolve you from your great sins, My children, but I cannot grant any pardon to these Priests.”

Marie-Julie Jahenny said: “Those who govern the Flock” will be responsible for the coming crisis. She mentioned the growing freedom enjoyed by Priests and Bishops and how badly they would use it. Marie-Julie then went on to say the “**Red Revolution**” (**Communism**) would break out.

**Marie-Julie Jahenny was 100% correct! Here are some historical proofs.**

**It is an historical fact that the Roman Catholic Church was infiltrated by Communists, Freemasons, Modernist heretics, etc. Here are several proofs that this in fact did happen.**

Pope Saint Pius X, Giuseppe Sarto [Tuesday, August 4, 1903 - Thursday, August 20, 1914], in his Encyclical “Pascendi Dominici Gregis” - On the Doctrine of the Modernists [Sunday, September 8, 1907], laments about how Modernist Heretics had gotten teaching positions in many Roman Catholic Seminaries and Monasteries long before 1907!!!

“**43.** And here we have already some of the artifices employed by **Modernists** to exploit their wares. What efforts do they not make to win new recruits! They **seize upon professorships in the seminaries and universities, and gradually make of them chairs of pestilence.** In sermons from the pulpit they disseminate their doctrines, although possibly in utterances which are veiled. In congresses they

express their teachings more openly. In their social gatherings they introduce them and commend them to others. Under their own names and under pseudonyms they publish numbers of books, newspapers, reviews, and sometimes one and the same writer adopts a variety of pseudonyms to trap the incautious reader into believing in a multitude of Modernist writers. In short, with feverish activity they leave nothing untried in act, speech, and writing. And with what result? **We have to deplore the spectacle of many young men, once full of promise and capable of rendering great services to the Church, now gone astray. It is also a subject of grief to Us that many others who, while they certainly do not go so far as the former, have yet been so infected by breathing a poisoned atmosphere, as to think, speak, and write with a degree of laxity which ill becomes a Catholic. They are to be found among the laity, and in the ranks of the clergy, and they are not wanting even in the last place where one might expect to meet them, in religious communities...**" ("Pascendi Dominici Gregis", paragraph # 43, emphasis added).

But after 1907 things got even worse!!!

For example, **Archbishop Fulton J. Sheen, D.D., R.I.P.** brought back to the Roman Catholic Church a famous Communist. After her conversion, she went around trying to warn everyone about what she and other Communists had done here in the United States concerning the Roman Catholic Church.

**Mrs. Bella V. Dodd**, a.k.a. Maria Asunta Isabella Visono [Baptized Maria Asunta Isabella in Picerno, Italy in October, 1904 - d. April, 1969], who was born to Rocco Visono and Teresa Marsica in Picerno, Italy, **was a leader of the Communist Party of America (CPUSA - Communist Party U.S.A.) in the 1930's and 1940's.**

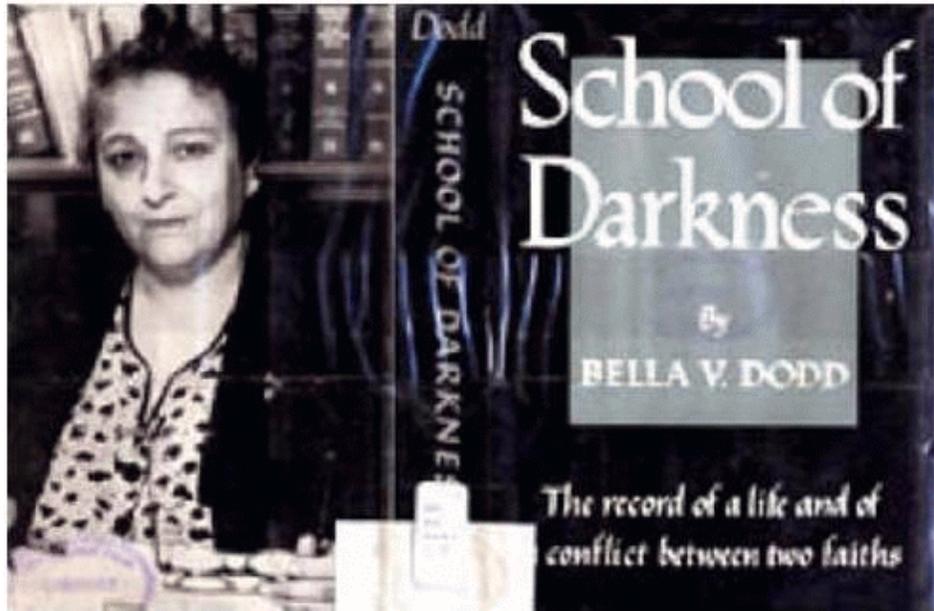

She was a brilliant and dedicated woman who was a graduate of Hunter College and of New York University Law School. She became head of the New York State Teachers Union and was a member of the National Council of the CPUSA (Communist Party U.S.A.) until 1949. In June, 1949 the Communist Party released a statement to the Associated Press announcing her expulsion from membership in the Communist Party.

On Tuesday, August 5, 1952 she publicly announced that on Monday, April 7, 1952, she had been received back into the Roman Catholic Church. Not being able to secure her Baptismal certificate from Italy after inquiry, she was Conditionally Baptized (*sub-conditions*) by Archbishop Fulton J. Sheen in St. Patrick's Cathedral, New York City.

*The New York Times* ran a front page article entitled "*Bella Dodd Asserts Reds Got Presidential Advisory Posts*" reporting that she "swore before the Senate Internal Security subcommittee today that Communists had got into many legislative offices of Congress and into a number of groups advising the President of the United States" (*The New York Times*, Wednesday, March 11 1953, C. P. Trussell, "Bella Dodd Asserts Reds Got Presidential Advisory Posts").

*The New York Times* reported that Bella Dodd “..warned yesterday that the *materialistic philosophy*, which she said was now guiding public education, would eventually demoralize the nation” (*The New York Times*, Monday, March 8 1954, “Bella Dodd Assails Materialism In U.S.”).

Mrs. Bella Dodd states in her book that the Communist Party’s structure “was in reality a device to control the *common man*” (Bella Dodd, “*School of Darkness*”, published in 1954, chapter 16).

**Mrs. Bella Dodd also claimed that the Communist party actively infiltrated agents into seminaries.** She told her friend, Dr. Alice von Hildebrand, the theologian, that:

**“When she was an active party member, she had dealt with no fewer than four cardinals within the Vatican who were working for us, [i.e. the Communist Party]”** (*Christian Order* magazine, “The Church in Crisis”, reprinted from *The Latin Mass* magazine).

Mrs. Bella Dodd gave voluminous testimony on the Communist infiltration of the Roman Catholic Church and in the United States government before the House Un-American Activities Committee in the 1950’s.

In a lecture at Fordham University during that time, Mrs. Dodd unveiled what would seem to be an uncanny prophecy of future chaos in the Church.

**She provided detailed information of the Communist subversion of the Roman Catholic Church.**

Speaking as a former high ranking official of the American Communist Party, Mrs. Dodd said in part:

**“In the 1930’s we put eleven hundred men into the priesthood in order to destroy the [Roman Catholic] Church from within.”** The idea was for these men to be ordained and progress to positions of influence and authority as **Monsignors and Bishops. In 1950**, a dozen years before Vatican II, she stated that: **“Right now they are in the highest places in the Church”** where they were **working to bring about change in order to weaken the Church’s effectiveness against Communism.** She also said that these changes would be so drastic that **“you will not recognize the Catholic Church.”**

Therefore, is it any wonder that Synod Vatican 2 had more than its share of Freemasons, Communists, Modernists, Satanists, etc.??!!

This helps to explain why:

**“[Synod Vatican 2 was] the greatest disaster in recent ecclesiastical history”** (Giuseppe Cardinal Siri [b. Sunday, May 20, 1906 in Genoa, Italy - d. Tuesday, May 2, 1989], Archbishop of Genoa, Italy, from *“Pontiff”*, p. 369 - Gordon Thomas/Max Morgan Witts).

**“[Synod Vatican 2 was] a sinister farce acted out by three thousand good-for-nothings, some of whom, despite the gold [pectoral] crosses on their chests, don’t even believe in the Trinity or the Virgin”** (Bishop Antonio Romeo of the Sacred Congregation of Rites in Bob Considine’s column *ON THE LINE* in the *NEW YORK JOURNAL AMERICAN* of Friday, November 27, 1964.)

**“I pray to God that I may die before the end of the council -- in that way I can die a Catholic”** (Alfredo Cardinal Ottaviani, June 1962, Cardinal Prefect of the Supreme Holy Office, following a speech by Cardinal Montini - the future Paul VI - on the need for changes in the Church).

She speaks of a “horrible religion” which would replace the Catholic Faith, and she saw “many, many bishops” embracing this “sacrilegious, infamous religion”.

**Marie-Julie Jahenny is 100% correct again! This “horrible religion” which would replace the Catholic Faith, and the “many, many bishops” she saw embracing this “sacrilegious, infamous religion” is the *religion* of Synod Vatican 2, called the *Satanic Vatican 2 church*, which was “birthed” by the Communist, Freemasonic, Modernist infiltrators, including those “four cardinals within the Vatican *who were working for*” the Communist Party, not to mention those “eleven hundred men [i.e. Communists she put] into the priesthood in order to destroy the [Roman Catholic] Church from within!!!!**

**The “many, many bishops” Marie-Julie Jahenny saw embracing this “sacrilegious, infamous religion” were the “three thousand good-for-nothings” who took part in the “sinister farce” known as Synod Vatican 2!!!**

#### **Prophecies on the Novus Ordo Missae, the New Mass**

**Here are Marie-Julie’s prophecies concerning the *Novus Ordo Missae*, a.k.a. the New Mass.**

**Marie-Julie saw that “there will not remain any vestige of the Holy Sacrifice, no apparent trace of faith. Confusion will be everywhere...”**

**On Saturday, November 27, 1902, the 72<sup>nd</sup> anniversary of the Miraculous Medal Apparition [Saturday, November 27, 1830], Our Lord warned of the conspiracy of evil people which was already inventing a new liturgy - this was in 1902!!! - to replace the Holy Sacrifice of the Mass:**

**“I give you a warning. The disciples who are not of My Gospel are now working hard to remake, according to their ideas, and under the influence of the enemy of souls [Satan], a Mass that contains words which are odious in My Sight. When the fatal hour arrives where the faith of My Priests are put to the test, it will be these texts that will be celebrated, in this second period.”**

**“The first period is the one of My Priesthood, existing since Me. The second is the one of the persecution, when the enemies of the Faith and of Holy Religion will impose their formulas in the book of the second celebration. These infamous spirits are those who crucified me and are awaiting the kingdom of the New Messiah. Many of My holy Priests will refuse this book, sealed with the words of the abyss. Unfortunately, amongst them are those who will accept it.”**

On Tuesday, May 10, 1904, Our Lady described the New Clergy and their liturgy:

**“They will not stop on this hateful and sacrilegious road. They will go further to compromise all at once, and in one blow, the Holy Church, the Clergy, and the Faith of my children.”**

**She announced the “dispersion of the pastors” by the church herself; true Pastors, who will be replaced by others formed by Hell: “...NEW preachers of NEW sacraments, NEW temples, NEW baptisms, NEW confraternities.”**

**The *Novus Ordo Missae* - the “NEW Mass” - a Protestant Memorial Supper Meal  
Made up by Communists, Freemasons, and Modernists Heretics**

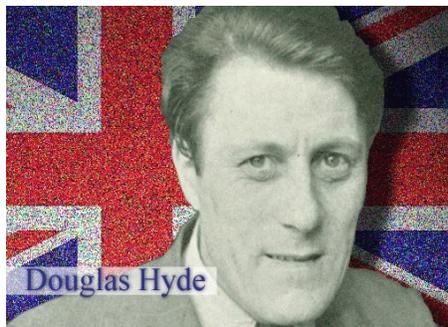

**“...the NOVUS ORDO represents, both as a whole and in its details, a striking departure from the Catholic theology of the Mass as it was formulated in Session 22 of the Synod of Trent. The Canons on the [Ancient Roman] Rite definitively fixed at that time provided an insurmountable barrier to any heresy directed against the integrity of the Mystery.”** (His Eminence Alfredo Cardinal Ottaviani [b. on Wednesday, October 29, 1890 - d. on Friday, August 3, 1979] was Secretary of the Holy Office of the Roman Curia from 1959 to 1966 when that dicastery was reorganized as the

Congregation of the Doctrine of the Faith, in which he served as Pro-Prefect, until 1968, the Prefect-Emeritus of the Sacred Congregation of the Faith, LETTER TO POPE PAUL, September 25, 1969; emphasis added.)

**“It is rather strong to claim that the New Mass is contrary to the Council of Trent but, displeasing as it is, it is true”** (Alfredo Cardinal Ottaviani, Cardinal Prefect of the Supreme Holy Office).

“Are we seeking to stir up wonder, or perhaps scandal, among the Christian people, by introducing changes in so venerable a rite that has been approved for so many centuries and is now so familiar? The rite of Holy Mass should not be treated as if it were a piece of cloth to be refashioned according to the whim of each generation” (Alfredo Cardinal Ottaviani, Cardinal Prefect of the Holy Office, 1962, Ralph M. Wiltgen, “The Rhine Flows into the Tiber”, Tan Books, 1967, p. 28).

**No wonder the Catholic Traditional Faith, Mass, and Sacraments were changed, and Catholic Traditional books were thrown out to be replaced by these anti-Catholic infiltrators!!!**

An article in “*Christian Order*” magazine (November, 2000) recounts how Mrs. Bella Dodd and her associate, Douglas Hyde, revealed the plan for the Communist subversion of the Roman Catholic Church.

**Ex-Communist and celebrated Roman Catholic convert, Douglas Hyde, revealed long ago that in the 1930’s the Communist leadership issued a worldwide directive about infiltrating the Roman Catholic Church.**

### **Fruits of the New Mass**

“By their fruits you shall know them. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit, and the evil tree bringeth forth evil fruit. A good tree cannot bring forth evil fruit, neither can an evil tree bring forth good fruit” (Matthew 7:15-17). Given the foregoing, it should be plain that the New Mass was conceived for an evil purpose and constructed by evil means. It only follows that such a tree would have disastrous effects on the church. Let us look at its fruits.

From 1965 to 1973, between 22,000 and 25,000 Priests left the Priesthood. Today, this figure has reached over 110,000. In addition, 157,000 out of 365,000, or about 43%, of what were once Roman Catholic parishes have no resident Priest. In 1970 there were 1,003,670 women Religious with perpetual or provisional vows; in 1992 that number was down to 655,031 (cf. “In the Murky Waters of Vatican II”, ISBN 0-89555-636-7).

The 1998 edition of the *Official Catholic Directory* of the *Satanic* Vatican 2 church in the U.S. revealed that the number of seminarians was only 1,700, a decline of almost 97% from the 1965 figure of 48,992.

In countries such as France and Holland the percentage of Catholics going to the *Satanic* Vatican 2 church New Mass each Sunday has declined to a single digit. In the U.S., attendance at *Satanic* Vatican 2 churches has steadily declined from 71% in 1963 to 25% percent in 1993, a decrease of 65%.

Newsweek polls and surveys show that only 15% of the members of the *Satanic* Vatican 2 church believe they should always obey the teachings of their church. Almost as many *Satanic* Vatican 2 *catholics* think abortion is permissible as non-Catholics, and 75% of members of the *Satanic* Vatican 2 church disagree with their church on what it teaches in regard to the forbidding of divorce and contraception. Another study revealed that only 25% of *Satanic* Vatican 2 church “catholics” now believe in the Real Presence of Jesus Christ in the Holy Eucharist and only 50% of Vatican 2 priests still believe in the Real Presence.

Who could possibly claim that there is not a terrible crisis of Faith, especially in what used to be Roman Catholic Churches now illegally operated and owned by the *Satanic* Vatican 2 church? Such are the fruits of the New Mass of the *Satanic* Vatican 2 church.

In case you missed it, here are a few similar facts of how by their fruits you will know them:

### **An index of Catholicism’s decline**

### **A Review by Pat Buchanan**

As the Watergate scandal of 1973-1974 diverted attention from the far greater tragedy unfolding in Southeast Asia, so, too, the scandal of predator-priests now afflicting the Catholic Church may be covering up a far greater calamity.

Thirty-seven years after the end of the only church council of the 20th century, the jury has come in with its verdict: Vatican II appears to have been an unrelieved disaster for Roman Catholicism. Liars may figure, but figures do not lie. Kenneth C. Jones of St. Louis has pulled together a slim volume of statistics he has titled *Index of Leading Catholic Indicators: The Church Since Vatican II*. His findings make prophets of Catholic traditionalists who warned that Vatican II would prove a blunder

of historic dimensions, and those same findings expose as foolish and naive those who believed a council could reconcile Catholicism and modernity. When Pope John XXIII threw open the windows of the church, all the poisonous vapors of modernity entered, along with the Devil himself. Here are Jones's grim statistics of Catholicism's decline:

**Priests.** While the number of priests in the United States more than doubled to 58,000, between 1930 and 1965, since then that number has fallen to 45,000. By 2020, there will be only 31,000 priests left, and more than half of these priests will be over 70.

**Ordinations.** In 1965, 1,575 new priests were ordained in the United States. In 2002, the number was 450. In 1965, only 1 percent of U.S. parishes were without a priest. Today, there are 3,000 priestless parishes, 15 percent of all U.S. parishes.

**Seminarians.** Between 1965 and 2002, the number of seminarians dropped from 49,000 to 4,700, a decline of over 90 percent. Two-thirds of the 600 seminaries that were operating in 1965 have now closed.

**Sisters.** In 1965, there were 180,000 Catholic nuns. By 2002, that had fallen to 75,000 and the average age of a Catholic nun is today 68. In 1965, there were 104,000 teaching nuns. Today, there are 8,200, a decline of 94 percent since the end of Vatican II.

**Religious Orders.** For religious orders in America, the end is in sight. In 1965, 3,559 young men were studying to become Jesuit priests. In 2000, the figure was 389. With the Christian Brothers, the situation is even more dire. Their number has shrunk by two-thirds, with the number of seminarians falling 99 percent. In 1965, there were 912 seminarians in the Christian Brothers. In 2000, there were only seven.

The number of young men studying to become Franciscan and Redemptorist priests fell from 3,379 in 1965 to 84 in 2000.

**Catholic schools.** Almost half of all Catholic high schools in the United States have closed since 1965. The student population has fallen from 700,000 to 386,000. Parochial schools suffered an even greater decline. Some 4,000 have disappeared, and the number of pupils attending has fallen below 2 million -- from 4.5 million.

Though the number of U.S. Catholics has risen by 20 million since 1965, Jones' statistics show that the power of Catholic belief and devotion to the Faith are not nearly what they were.

**Catholic Marriage.** Catholic marriages have fallen in number by one-third since 1965, while the annual number of annulments has soared from 338 in 1968 to 50,000 in 2002.

**Attendance at Mass.** A 1958 Gallup Poll reported that three in four Catholics attended church on Sundays. A recent study by the University of Notre Dame found that only one in four now attend.

**Only 10 percent** of lay religious teachers now accept church teaching on contraception.  
**Fifty-three percent** believe a Catholic can have an abortion and remain a good Catholic.  
**Sixty-five percent** believe that Catholics may divorce and remarry.  
**Seventy-seven percent** believe one can be a good Catholic without going to mass on Sundays.  
By one New York Times poll, **70 percent** of all Catholics in the age group 18 to 44 believe the Eucharist is merely a "symbolic reminder" of Jesus.

**At the opening of Vatican II, reformers were all the rage. They were going to lead us out of our Catholic ghettos by altering the liturgy, rewriting the Bible and missals, abandoning the old traditions, making us more ecumenical, and engaging the world. And their legacy?**

**Four decades of devastation wrought upon the church, and the final disgrace of a hierarchy that lacked the moral courage of the Boy Scouts to keep the perverts out of the seminaries, and throw them out of the rectories and schools of Holy Mother Church.**

Through the papacy of Pius XII, the church resisted the clamor to accommodate itself to the world and remained a moral beacon to mankind. Since Vatican II, the church has sought to meet the world halfway.

Jones' statistics tell us the price of appeasement.

### Conclusion

**The above historical data simply proves that the prophecies of Marie-Julie Jahenny have been 100% correct!**

The Novus Ordo Rite of the New Mass of the *Satanic* Vatican 2 church is condemned by its own nature, by its fruits, and even by Jesus Christ Himself and Our Blessed Mother!

We use the term "*Satanic* Vatican 2 church" based upon this Catholic Traditional theological teaching:

The principle "*Legem Credendi Lex Statuit Supplicandi*" of Celestine I [Saturday, September 10, 422 - Tuesday, July 27, 432]. The Liturgical form of prayer becomes the standard of Faith. This is sometimes shortened to simply "*Lex Orandi, Lex Credendi: The Law of Praying is the Law of Believing*". This simply means that you express, by a public, exterior liturgical act of worship, your own personal interior beliefs of your faith. **Thus, you pray what you believe and you believe what you pray.**

The crisis in the *Satanic* Vatican 2 church will continue to worsen until it once more becomes truly Catholic in its Faith, its Liturgies for the offering of the Holy Sacrifice of the Mass, the

administration of the Seven Sacraments, and the strict discipline in effect prior to Synod Vatican 2.

If a Catholic were to consciously deny one article of the Catholic Faith, that Catholic would be on the road to Hell. It is self-evident for growing numbers of people that the New Mass, the Novus Ordo Rite of the Novus Ordo Missae of Paul 6 cannot have come from God, whereas the Ancient Roman Rite of Mass of the Catholic Church comes directly from the Eternal High Priest, Jesus Christ, the Second Person of the Most Blessed Trinity, Who did all things well.

There is only ONE safe course for everyone to follow - to assist at the Ancient Roman Rite of Mass of the Catholic Church in the Catholic Church, now to be found in Catacombs III. Yet how many people risk the loss of their immortal souls for all eternity by going to the *Satanic* Vatican 2 church which has nothing "Catholic" in it, but instead, an updated 16<sup>th</sup> Century Protestant Supper-Memorial Meal which denies Almighty God the Sacrifice of Adoration, Worship, Thanksgiving, and Propitiation which GOD requires and which some finite men have replaced with what THEY demand that God accept!

*Le marquis de la Franquerie en tenue de Camérier vers 1945*

**The Marquis de La Franquerie**  
**[b. ? - d. 1992]**

The Marquis de La Franquerie was a noted expert regarding the infiltration of the Roman Catholic

Church by Judeo-Freemasonry.

In 1939 Monsieur de La Franquerie became a Chamberlain of Pope Pius XII who had visited Marie-Julie while traveling in France as Cardinal Pacelli.

The Marquis had met Marie-Julie upon the advice of Msgr. Jouin. During a revelation to Marie-Julie in 1939, Our Blessed Lord specifically directed that the Marquis was to be the person who was to be responsible with physically safeguarding her prophetic revelations in their integrity from the enemies of the Church.

Under obedience, the Marquis recorded:

“On August 24, 1939, during an ecstatic experience of Marie-Julie Jahenny, our Lord and the Holy Virgin Mary told us of the second conflagration coming soon and, our Lord, speaking of me, (the Marquis de la Franquerie) added: ‘My little servant must take to his home all documents concerning Marie-Julie in order to avoid a seizure by the Germans...’”.

The Marquis de La Franquerie carefully kept these documents entrusted by Heaven.

In 1958, the Marquis de La Franquerie founded “L'Association des Amis de Marie-Julie Jahenny” (The Association of the Friends of Marie-Julie Jahenny) in honor of the holy French mystic and prophetess. He presided over this Association until his death in 1992. He founded this association to ensure the safety and accurate study of these revelations and prophecies for future generations.

The Association had a modest beginning, but Heaven soon showed its favor, for having made the objects requested by our Lord and the Holy Virgin, i.e. medals, crosses, and scapulars, it saw an extraordinary growth that no human power could have ever imagined. This Association grew so much that the knowledge of Marie-Julie spread throughout the world.

### **Postscript**

Marie-Julie was not the only person to whom terrible prophecies were given. For example, Sister Lucia, one of the three Fatima visionaries, said:

“...she [The Most Blessed Virgin Mary] told me that the devil is in the mood for engaging in a decisive battle against the Virgin. And a decisive battle is the final battle where one side will be victorious and the other side will suffer defeat. Hence from now on we must choose sides. Either we are for God or we are for the devil. There is no other possibility.” (Sister Lucia to Fr. Fuentes, December 1957 A.D.)
